Subject: Re: workplan approval, Walker River Paiute Tribe grant

...

Good Morning Dante,

Thank you so much for the approval and more importantly for the letter stating I have the go ahead to continue with our process. What folks need to realize is the amount of work that goes into the negotiations and the final results to submit the proposal does not happen without the partnership or collaboration.

I will be submitting this grant today and will let you know should there be any problems with our internet. Thus far, we are not dealing with mother nature causing electrical problems but it is very windy here. The storm is coming to Schurz!

I appreciate working with you and Dave on the Superfund activities.

Best Regards,

Cynthia Ocegueda
Walker River Paiute Tribe

Dear Cynthia,

Attached please find EPA's approval letter for your workplan and budget. You can now proceed with submitting them, along with the other required documents, to grants.gov for processing. Thank you very much, and we look forward to continue working with you on the project.

Dante Rodriguez
